*Our Mission...*

*To enhance the lives of individuals  
with disabilities by providing  
services and supports which enable  
them to live, work, learn and  
participate in their communities.*

*Encouraging Independence...*

*Enriching Lives*

## What is Community Employment?

The purpose of Community Employment is to pursue employment based on the needs and abilities of the individual and to provide the training and support necessary for long-term success. Through assessment, evaluation, training and support services that maximize independence, adults with developmental disabilities can achieve success for themselves and their employer.

## How Does it Benefit Consumers?

Applicants benefit in many ways from being employed in the community:

- Applicants enjoy having the opportunity to work just like other adults.
- Community employment provides a sense of independence through earning a paycheck and choosing ways in which to spend their money.
- Applicants have a sense of pride in their accomplishments and contributions to their community.

## DSC Can Fulfill Your Employment Desires

- Our efforts include helping every individual who desires working in the community in an area which interests them.
- DSC Employment Specialists (ES) provide on-the-job training and follow-up support every step of the way and maintain regular contact to offer further assistance when needed.
- You should know....According to IllinoisWorkNet.com, 87% of the public prefers to support businesses who hire people with disabilities.
